

Appended Documents

- No appended documents are required for items delivered within the EU.
- Appended documents for customs clearance are required for goods delivered outside the EU. If the country of destination requires more than one customs declaration, the missing number of customs declarations (CN 23) must be completed.
- A commercial invoice or pro forma invoice is required for goods sent for commercial purposes.
- More information regarding the appendix documents and stipulations related to them is available online.

Limitations on Contents

- The contents must be airworthy.
- Please check country-specific limitations and regulations on the transport of dangerous substances and other restricted items at web.

The Baltic Countries

Latvia, Lithuania and Estonia together form their own zone.
